

**NES' INSTITUTE OF MANAGEMENT STUDIES CHIPLUN**  
**Industry-Institute Partnership Cell**

**Dated: 18/4/2016**

The committee has been formed to undertake all the activities relating to building Industry -Institute partnership and promote our institution for helping the students to have greater exposure to industry and to reduce the gap between industry expectations and academic offerings. This cell facilitates industrial and academic trainings, live assignments and projects at industry. Objective of this cell is to enhance students' skills and career opportunities.
